

DICAS Enhancements Spring 2017-2018

Applicant Portal

Update Awards, Experience & Volunteer Activities

- Section now set to required
- Work & Volunteer experiences have been broken out into two separate categories
- Added the additional option of “Experience for Academic Credit”
- Added on-screen help text stating “Complete this section regardless of what has already been represented on your resume”
- If there are no experiences to report, the applicant will select “No Experience Accrued”
- Added on-screen definitions explaining the difference between experience types

DPD Contact Information

- Added on-screen help text, “Verification Statements remain locked once verified”

Colleges Attended

- Added on-screen help text, “Note: if you have completed further coursework or have been awarded a new degree since the last time you applied, a new transcript is required”

D&D Digital ID Number

- Applicants can now update the information in this section after they have already submitted

Selection Portal

Clearinghouse Applications

- Updated the name of the Clearinghouse Applicants tab to read “Second Round Selection Applicants”

Reference Ratings Scale

- For clarification purposes, all 5 options listed on the Reference Ratings Scale now appear on the application PDF
