# Member Benefits

## Access Information and Community

Access a variety of scientific and practice-based resources to keep you on the cutting-edge of food, nutrition and dietetics, such as:

### Evidence Analysis Library® (EAL®)

This web-based tool provides members free access to research, evidence-based nutrition practice guidelines, toolkits and educator modules.

### Journal of the Academy of Nutrition and Dietetics

The Academy's flagship publication is the premier source for information on the practice and science of food, nutrition and dietetics. Access is free to all Academy members.

### Food & Nutrition Magazine®

The Academy's award-winning magazine emphasizes breaking news and trends in nutrition, diet, health, culinary arts, food service, sports nutrition, fitness, integrative nutrition, food safety and other professional services. Mailed bi-monthly and available online, *Food & Nutrition* also delivers practice tips, as well as resources for professional and personal growth.

### Food & Nutrition Conference & Expo™ (FNCE®)

Receive preferred pricing at the Academy's annual conference where members gather to connect with peers and broaden their professional skills. This event offers over 130 educational sessions covering the hottest topics from obesity, integrative medicine and culinary trends, to life-cycle nutrition and medical nutrition therapy.

### Dietetic Practice Groups (DPGs)

Join one or more of the Academy's many professional interest groups and enhance your specialized knowledge, share practice tips and establish relationships with colleagues from all over the world, including:

- Food and Culinary Professionals (FCP)
- School Nutrition Services (SNS)
- Management in Food and Nutrition Systems (MFNS)
- Oncology Nutrition (ON)
