

## Medicare Fee Schedule for RDNs – MNT and G-Codes

The data in this chart was compiled from the physician fee schedule information posted on the CMS website as of February 2020. CPT® codes and descriptions are copyright 2020 American Medical Association. CPT® is a registered trademark of the American Medical Association (AMA). This chart represents the RD payment amount for Medical Nutrition Therapy (85% of the physician fee schedule amount). Non-facility = e.g., a private practice. Facility = e.g., a hospital, skilled nursing facility, comprehensive inpatient rehabilitation facility, community mental health center, or approved ambulatory surgical center.

Rates are valid through December 31, 2020. Rates do not reflect the mandatory 2% reduction required under the Budget Control Act of 2011 (known as "sequestration").
