

Monthly Spotlight Email Series

Reach Influential Nutrition and Dietetics Professionals

The **Monthly Spotlight** Email Series provides an excellent pathway to increase awareness and knowledge of your product benefits via a stand-alone promotional email to **over 35,000 Academy members**. Build advocacy by creating compelling content and printable resources to be used by Academy members in their daily practice. 100% of the message content is created by and dedicated to the advertiser's offerings.

Who Are Academy Members?

Influence

Registered dietitian nutritionists are everywhere and touch the lives of many. A recent survey from the Academy estimates that RDNs have approximately **260 million** contacts with clients and patients per year. RDNs are a major influence in purchasing, recommending and specifying products and services.

- About 81% of RDNs have direct interactions with clients or patients.
- About 22% of RDNs reported managing a median budget size of \$334,000. About 9% of RDNs report managing budgets of \$500,000 or more.
- 72% of RDNs believe their clients follow their advice closely.

Trust

Physicians, clients, patients, industry and government agencies value and trust the contributions of RDNs.

- RDNs are the most frequently consulted health professionals for nutrition and healthy eating information.¹
- 77% of global consumers state that advice provided by RDNs impacts the food they buy.²
- 79% of health care providers refer their patients to RDNs.³

“

Otamot was looking to connect with the RDN community in a turnkey, effective way to help introduce our brand, drive event registrations, and increase the number of virtual attendees. The email results were incredible, and something we continue to feel the positive impact of. I can't thank the entire team at the Academy enough for their support and genuine desire to create a successful collaboration. We look forward to the many years ahead together.

– **Andrew Suzuka, CEO | Otamot Foods**
