

DICAS Cycle Transition Tips

This handout provides tips and guidance for applicants who applied using DICAS in previous cycles and will use the current cycle to apply to dietetics programs.

Tips for Applicants Using DICAS From One Cycle to the Next

- DICAS Application is closed from July 31-August 5 for maintenance.
- After August 5th applicants who have used DICAS in a previous cycle will be considered a reapplicant. DICAS URL: <https://dicas.cas.myliaison.com/applicant-ux/#/login>
- If you want to carry over the same application, sign into your existing account and follow the prompts for transferring over your application materials.
- If you want to start a new application, click “Create an Account”, and create a new application.
- Some of your application materials will carry over; however, the following documents **will not** and will need to be completed in the new cycle:
 - Uploaded Documents including all DPD required documents.
 - Custom Questions in the DICAS platform “Do you have either a DPD Verification Statement or Declaration of Intent?”
 - Any program specific questions and required documents, as needed.
 - Personal Statement
 - Letters of Recommendation
 - Program-Specific Requested Documents

If you need assistance with the centralized application, please contact [DICAS customer support](#) at 617/612-2855.
