

## DICAS Cycle Transition Tips

This handout provides tips and guidance for applicants who applied using DICAS in the previous 2022-2023 cycle and will use the 2023-2024 cycle to apply to dietetics programs.

### Tips for Applicants Using DICAS From One Cycle to the Next

- After July 14<sup>th</sup>, 2023, applicants who have used DICAS in a previous cycle will be considered a reapplicant.
- If you want to carry over the same application, sign into your existing account and follow the prompts for transferring over your application materials.
- If you want to start a new application, click “Create an Account”, and create a new application.
- Some of your application materials will carry over; however, the following documents **will not** and will need to be completed in the new cycle:
  - Uploaded Documents including all DPD required documents.
  - Custom Questions in the DICAS platform “Do you have either a DPD Verification Statement or Declaration of Intent?”
  - Any program specific questions and required documents, as needed.
    - Personal Statement
    - Letters of Recommendation
    - Program-Specific Requested Documents

If you need assistance with the centralized application, please contact [DICAS customer support](#) at 617/612-2855.
