

00:00:00:01 - 00:00:03:06

Unknown

What excites me the most from fancy is

00:00:03:06 - 00:00:06:19

Unknown

learning from the gurus.

00:00:06:21 - 00:00:07:03

Unknown

There

00:00:07:03 - 00:00:09:13

Unknown

are so many great presentations

00:00:09:13 - 00:00:11:00

Unknown

that are just really interesting and

00:00:11:02 - 00:00:13:10

Unknown

So depending on whatever you're interested in,

00:00:13:12 - 00:00:15:12

Unknown

you can find something that's useful to you.

00:00:15:13 - 00:00:20:06

Unknown

I always leave feeling so rejuvenated and refreshed with new ideas.

00:00:20:11 - 00:00:25:12

Unknown

And those ideas are so important to me as an educator because they help me to improve,

00:00:25:12 - 00:00:26:18

Unknown

the programs and

00:00:26:18 - 00:00:28:11

Unknown

in turn benefits the students.

00:00:28:11 - 00:00:30:01

Unknown

As a university professor,

00:00:30:03 - 00:00:33:09

Unknown

we've been able to get together, share ideas,

00:00:33:11 - 00:00:35:17

Unknown

come up with some creative content

00:00:35:19 - 00:00:37:12

Unknown

and really share,

00:00:37:17 - 00:00:39:05

Unknown

some pretty valuable information,

00:00:39:05 - 00:00:41:16

Unknown

When you go to the sessions and inspires you

00:00:41:16 - 00:00:44:13

Unknown

because it keeps you up to date with what's most relevant,

00:00:44:13 - 00:00:45:12

Unknown

in today's trends,

00:00:45:14 - 00:00:50:17

Unknown

and it really is just a huge energizer that you're not able to get through a remote environment.

00:00:50:19 - 00:00:55:03

Unknown

enrichment comes through learning so many things from so many walks of

00:00:55:04 - 00:00:59:02

Unknown

the dietitian career and field that you kind of get to tap into

00:00:59:04 - 00:01:02:18

Unknown

who you are, where you want to be, and you definitely should come to fancy.
