As the philanthropic arm of the Academy of Nutrition and Dietetics, the Academy of Nutrition and Dietetics Foundation was established in 1966 and is the only charitable organization dedicated exclusively to promoting nutrition and dietetics. The Academy Foundation is 100% dependent on donations, but only 5% of Academy members donate. 

ANNUALLY RAISES $3,500,000 to make a difference in the nation’s health.

Three-Year Snapshot

From June 2012 through May 2015, the Foundation has provided:

- $1,500,000 in scholarships to assist more than 1,000 dietetic students at all levels of study.
- $2,950,000 in funding to 724 members through the Champions Program and Kids Eat Right grants that enlist the expertise of the RDN.
- $835,000 in grants to Academy members for research and fellowships that elevate the registered dietitian nutritionist’s profile as the nutrition expert.
- $455,000 in awards for Academy members; support continuing education, lectures, leadership recognition and international activities.

Major Accomplishments

- Developing, evaluating and publishing research projects, such as the Parent Empowerment program, showing the benefit of RDNs in improving healthy family behaviors.
- Educational Resources including CPEU webinars, downloadable programs, ready-to-use presentations and handouts.
- Kids Eat Right Initiative offering 9 ready-made, downloadable toolkits including 33 presentations for adults and kids and more than $175,000 in mini-grants awarded to members.
- Future of Food Initiative supporting members, education, communication strategies, and action to address food insecurity and a healthy, nutritious food supply for a growing world population.

We can’t do it without your support!
